## *What is the APEGBC Member Insurance Program?*

Available exclusively to members of the Association of Professional Engineers and Geoscientists of BC (APEGBC), this is a special group insurance program which offers you superior coverage at reduced rates.

Launched in 1989, it has now expanded to offer coverage in the following areas:

- ◆ **HomePlan** – The HomePlan (also available for condos and tenants), is an outstanding policy which includes many special coverages and enhanced limits at no extra charge.
- ◆ **AutoPlus** – Is a private auto insurance policy that provides you with better coverage at a lower price. You can save an additional 10% through a “multi-policy” discount when you insure your principal residence under the APEGBC Member Insurance Program.
- ◆ **HomeWork** – Provides coverage for your home-based business, including off-premises equipment and liability protection.
- ◆ **Umbrella Liability** – Combines and increases the liability limits and coverages offered by your home, auto, seasonal and rental properties, water craft and recreational vehicle policies—at a low cost.
- ◆ **Travel Medical Insurance** – Your travel and medical insurance is underwritten by the best travel insurance underwriters in the industry, and get 10-15% savings, as well. You can get global expatriate and international student hospital and medical insurance coverage, plans for Canadians, plans for visitors to Canada, as well as a full range of optional coverages.

The APEG Member Insurance Program is sold and serviced by Park Insurance, a Vancouver-based insurance broker and underwritten by the Lombard General Insurance Company of Canada, one of the country's largest insurance companies.

## Who's Got Your Back at Claims Time?

## *Experience . . . the Park Difference*

### ◆ Superior Coverage

Ask us about our special rates and extended coverage under the Program.

### ◆ Greater Expertise & Experience

We ask the right questions so that your assets are adequately protected; no one likes surprises at claims time.

### ◆ Proven Track Record

Our team has consistently achieved a proven 97% satisfaction rating from APEGBC members for over 10 years, saying, 'they felt that their final claim settlement was as good or better than they expected.' (In contrast, a recent survey of another association found that only 68% of their membership was satisfied with their brokers' performance at claims time.)

### ◆ Outstanding Customer Service

- **Professional, timely response & problem solving:** We do it now!
- **Convenience:** Call, e-mail, fax, and online—we're ready to serve you. Ask us about our flexible payment terms and methods.

### ◆ Better Value. Competitive Rates

We work to protect what's most important to you. So, we do not sell ill-fitting, cookie-cutter, or cheap policies—simply for the sake of a quick sale—that come back to bite you at claims time.
